## Local Mine Workers Hold Meetings

### Open-Air Meeting Saturday Afternoon Decided to Break Away From Unity League Affiliation

Motions to ignore the strike ballot, to withdraw present affiliation of the Mine Workers Union of Canada from the Workers Unity League, and for the local union to withdraw from the M. W. U. of C., were passed on Saturday at an open-air meeting, at which D. Gillespie, former secretary of the local union, and labor leader of 26 years in the Crow's Nest Pass, was chairman.

A motion was also passed that committees be appointed from this meeting to negotiate new agreements with the International and McGillivray mines. A further motion carried that this meeting adjourn till 2:30 Monday afternoon to permit of all the mine workers attending and to give due notice.

Prior to this open air meeting, a meeting was called in the K. of P. hall by the M. W. U. of C. officials, which was addressed by A. Dow, secretary, and Harvey Murphy, organizer. D. Gillespie pointed out that this was called as an employees meeting, and that outsiders had no right to be there. He also stated that an employees open air meeting would follow, to which Andrew Dow, secretary of the local unit of the M. W. U. of C., replied that he was to be expected from the scab election. (Continued on Page Eight)

## St. John Ambulance Association Banquet

A banquet was held in the Grand Union hotel on April 1st, with a splendid turn out of members of first aid work. Certificates were presented to members who passed their examinations this year.

The chairman, Mr. Geo. Kellock, honorary president, gave a few remarks on First Aid work, and the following contributed to the program: P. Smith, A. McCulloch, E. Hill, songs; J. Janostak, saxophone solo; Tony DeCocco and B. D'Andrea, violin duet; Billy Royle, violin solo; and remarks by Moses Johnson, mines inspector; Dr. DeLong, Dr. Stewart and R. M. Greenhalgh. Mr. O. E. S. Whiteside presented the certificates. E. Royle of Blairmore accompanied the soloists on the piano.

Certificates—A. Lonsbury, Uno Gudmundson, H. G. Dunlop, W. Anderson, R. Wilson, J. Anderson, R. Hill, J. Celi, D. Gardiner, Joe DeAndrea, violin duet; Bennet Milo, A. Gardiner.

Vouchers—L. A. Caroe, O. Smith, W. Lonsbury, S. Penny, A. Wilson, E. Salvador, A. Oliva, H. Turner, J. Janostak, O. Bomben. Medallions—A. Fauville, G. Raymond, P. Oliva, B. Bond, J. McDonald.

Labels—J. Goulding, E. Hill, J. Rushton, jr., H. Dunlop, jr., J. Cousins, G. F. Derbyshire, M. Cornett, J. Kilgannon, E. X. Hill, R. M. Greenhalgh.

Mr. Alex. Cameron left this week for his fruit ranch at Wyndell, B. C.

## Musical Festival Awards

Coleman Glee Club was awarded 86 marks for their choruses at the musical festival at Blairmore. They were the only male chorus entered, but were given a splendid reception and earned high commendation from the adjudicator.

Other Coleman pupils receiving awards were Olga Belevich, 168 marks in Violin, Grade 3, winning first out of five entries; Beth Moores, 165 marks in Violin, Grade 3, senior over 15 years, second out of five entries; Freda Antrobus, first out of eight entries in Piano, Grade 3, under 14 years, being awarded 176 marks; Peggy Abbridge, 84 marks in Vocal for competitors under 14 years, being third out of seven entries; Irene James, 80 marks for vocal solo, there being only the one entry in this class; Mrs. Ivy Abbridge and Mr. George Hibbert, soprano and tenor duet, 80 marks.

## Canmore and Nordegg Sign Agreements

Official notice has been received that mine workers at the above camps signed local agreements on the same basis, with a few minor changes, as the agreements which expired on March 31.

## Local News

Born to Mr. and Mrs. J. K. Tetrunick, on April 7, a son, Kenneth, Joseph.

Mr. Christopher of Edmonton, is at present visiting with his daughter, Mrs. W. Hibbert, of third street.

Mrs. J. A. Price left on Monday for Edmonton to attend the graduation of her daughter Margaret, at the Royal Alexander hospital.

Mrs. George Brown attended the funeral of Mrs. H. Olson held in Calgary on March 30, at which the Ven. Archdeacon Tims officiated.

Trainloads of rock are being taken from the Frank slide to a section of the C.P.R. in the vicinity of Nelson.

Two lady officers of the Salvation Army were recently here from Macleod, selling the Easter "War Cry," and while here were the guests of Mr. and Mrs. Robert Holmes.

A slight error was made in the last issue of The Journal, when it stated that Mrs. I. Nielson left for Calgary to attend the funeral of Mrs. Olson, she left for Calgary after receiving a wire stating that Mrs. Olson was very sick.

Miss Catherine Kilgannon who has been visiting with her mother for the past two weeks, returned on Sunday to High River, where she will resume her duties on the Canadian Bank of Commerce staff there.

A. L. Watkins, manager of the government liquor store, is spending his annual month's vacation visiting a brother at Milestone, Sask. S. F. Patterson of Calgary is in charge during his absence.

Slugs and snails miss much of the glory of the dawn, the mistle of vegetable birds, the easy flow of fancies and ideas unassociated with the market place. Ah, the comfortable feeling of the early riser that he is master of his world, at least for a few unworked minutes! These are compensations for deserting the blankets and greeting the sun with early smile for smile.—Christian Science Monitor.

## Monthly Meeting of School Board

At the regular monthly meeting of the school board, was held on Tuesday, April 5th, trustees Allan, Antrobus, Harrington, Holly and Sudworth were present.

The minutes of the last meeting were read and on motion of Antrobus and Sudworth adopted.

Attendance officers report was read and on motion of Antrobus and Sudworth adopted.

The Sec. Treas. report was read and on motion of Antrobus and Sudworth adopted.

Dental report was read and on motion of Antrobus and Barringham adopted.

Moved by Antrobus and Sudworth that the secretary get quotations for supplies for the Fall term. Moved by trustees Antrobus and Sudworth that the accounts presented be passed on to the committee and if found correct paid.

Mrs. J. Richards was hostess at a shower given for Mrs. George Jenkins on Tuesday, March 5. The early part of the evening was spent in playing whist, the prize winners of which were Mrs. R. Thomas, first, and Mrs. Stokes, consolation.

Supper was served and the remainder of the evening was spent in games and songs. The bride received many lovely gifts from all her friends. Those who attended were: Mrs. J. Richards, Mrs. G. Jones, Mrs. B. Gate, Mrs. Tiffin, Mrs. Roughhead, Mrs. Dickson, Mrs. W. Dutil, Mrs. G. Evans, Mrs. G. Derbyshire, Mrs. J. Derbyshire, Mrs. G. Hope, Mrs. F. Stokes, Mrs. H. Boulton, Mrs. J. Yates, Mrs. H. Gate, Mrs. Gillie, Mrs. Cornett, Mrs. A. Brown, Mrs. R. Thomas, Mrs. Glendinning, Mrs. Willets, Mrs. W. Vincent, Mrs. Garner, Mrs. E. Hill, Mrs. J. Emmerson, Mrs. M. Joyce, Mrs. G. Jenkins, Mrs. Kilgannon. Mrs. G. Brown sent a lovely present but was unable to attend the shower owing to sickness.

## Junior Tennis Notice

If a sufficient number of juniors intend joining, suitable court space will be provided. Will all parents wishing their children to play tennis, please notify Mr. John MacDonald, Phone 1738F. Junior fees are \$3.00 per season; and only paid-up members will be allowed on the courts.

## UNITED CHURCH NOTES

On Sunday, April 17th, the services will be held at 11 a.m. and 7 p.m. The song service is proving helpful and inspiring.

On Sunday, April 24th, at the evening service there will be a special praise service. The service of worship will take the form of solos, quartettes, duets and instrumental selections.

Come and worship with us.

Great Britain has lost another war veteran. A carrier pigeon called "Lightning" is dead at the age of 17 years. He served in the North Sea area. Another valued carrier, "Rupert" was recently killed by a cat, so of all the English pigeons who served in the great war only "Old Bill," who was attached to headquarters in France, remains alive.

## Summit Lodge Celebrated 25th Anniversary in Fine Style

Eastern Star Ladies Catered for Banquet, and Enjoyable Dance Concluded Most Enjoyable Occasion

Summit Lodge A. F. & A. M. celebrated its 25th anniversary last Thursday by holding a supper and dance, the members and wives being guests. The ladies of the Eastern Star served an excellent menu in the K. of P. hall, following which toasts were proposed and responded to in the order given: "The King," by Wor. Master S. C. Short, toastmaster; "The Grand Lodge of Alberta," W. Bro. J. Emmerson; responded to by Wor. Bro. G. Pattinson; "Absent Members," proposed by Wor. Bro. A. F. Short; "The Charter Members," proposed by Bro. H. T. Halliwell, and responded to by Wor. Bro. Alex. Cameron; "Summit Lodge," proposed by Wor. Bro. M. W. Cooke, and responded to by Wor. Bro. A. M. Morrison.

The first Masonic meeting was (Continued on Page Eight)

## Border Trouble Is Feared By Officials Of Northern Ireland

Belfast, Northern Ireland.—Officials of Northern Ireland, Sunday, March 20, said drilling had been resumed illegally by President Eamon de Valera's Irish Republican Army in various parts of the Irish Free State.

Authorities manifested some uneasiness over the renewal of drilling and said they had learned a machine gun had been used in the Republican army manoeuvres close to the border on at least one occasion.

An automobile belonging to Corporal J. H. Murphy was stolen at Dundalk last week and authorities said they thought it had been used with two other cars to transport rifles from an arms dump at Louth into Northern Ireland.

The stolen car was recovered at Newry in County Down. Police at Portlaoine, fearing some sort of demonstration during the passage through that town of Prime Minister Viscount Craigavon, on his way to a wedding at Belfast, Saturday, March 19, arranged for an Irish league football match to be prolonged five minutes, so that the streets were practically deserted when the Prime Minister passed through.

The government of Northern Ireland offered a reward of £500 for information leading to the arrest of persons responsible for an attack from ambush on a party of men cycling to an Hibernian ball meeting in County Londonderry on St. Patrick's Day. Viscount Craigavon visited two men injured in the attack at hospital and expressed his personal sympathy.

The King and the Prince of Wales are expected to make one of their rare visits to Northern Ireland during August when they would officiate at the opening of the new Ulster Parliament Buildings and inaugurate the new Ulster law courts the following day.

The King last came to Ulster in June, 1920, to open the Ulster Parliament. At that time he made a speech which led to the calling of the conference which resulted in the Anglo-Irish treaty.

**Soviet Bars Job-Hunters**  
Moscow, Russia.—Foreign job-hunters who come to Russia on ordinary tourist visas are going to be disappointed this summer if they expect to find work and stay here. The government appears to be tightening its policy of discouraging unemployed from entering the country unless they have jobs specifically contracted for in advance.

**Degree For Mellon**  
Edinburgh, Scotland.—The university has decided to confer an honorary doctorate on Andrew Mellon, who will be the new United States ambassador to Great Britain.

## Export Of Natural Gas From Alberta Discussed In The Legislature

Edmonton, Alberta.—Assurance that export of gas would be permitted if profitable markets were found, was asked by Herbert Greenfield, former premier of Alberta and representative of 33 independent oil companies, when he appeared before the agricultural committee of the Alberta legislature during the gas conservation hearing.

If such assurance were given, said Mr. Greenfield, it would be an incentive to further tests and explorations of the gas resources of the province. Independent companies, along with others, required full information regarding the government plans before they could commit themselves, he declared. Key information had been withheld and until all facts were known the attitude of the companies could not be stated definitely.

Premier Brownlee asked, if in the light of the government agreeing to exportation of surplus gas, what the attitude of Calgary would be.

Replying, L. W. Brockington, K.C., Calgary city solicitor, pointed out that the southern Alberta gas system extended over 200 miles and that Calgary had never taken a narrow view of the situation.

That it would not be physically possible for Turner Valley oil field to be exhausted in two years or so, as had been foretold by previous witnesses, was the view expressed before the

## Big Advertising Campaign

Fruit and Vegetable Grading Industry To Secure Publicity

Montreal, Quebec.—Following recent action of the Canadian Horticultural Council in sponsoring a five-years advertising campaign in the interests of the fruit and vegetable grading industry of Canada, and the appointment of a national advisory committee to carry on the campaign, the following executive committee has been named: W. B. Somerset and George Stronach, Toronto; L. F. Burrows, Ottawa, and E. B. Luke and F. E. Holloway, Toronto.

The executive committee announced Thursday, March 17, the appointment of A. McKim, limited, to handle the advertising and to co-operate with the committee in planning and carrying out the details of the campaign through the company's offices at Montreal, Toronto, Hamilton, Winnipeg, Vancouver and Halifax. The campaign is entirely supported by the industry itself.

## Baldwin One Of Delegates

Will Be In Canada To Attend Economic Conference

London, England.—Great Britain is sending a delegation of unexpected strength to the Imperial Economic Conference at Ottawa.

Prime Minister MacDonald announced in the House of Commons subject to the exigencies of parliamentary business the following would comprise the British delegation: Stanley Baldwin, Lord President of the Council; Neville Chamberlain, Chancellor of the Exchequer; Lord Hallam, Minister of War; J. H. Thomas, Secretary for Dominions; Sir Philip Cunliffe-Lister, Secretary for Colonies; Walter Runciman, President of the Board of Trade; representatives of the Ministry of Agriculture.

## Drop In Tourist Trade

Decrease Applies Only To 24-Hour Permit Cars

Ottawa, Ont.—A slight falling-off in the entry of foreign tourists automobiles into Canada was recorded for 1931 in comparison with the figures for the previous year, according to a statement issued by the department of national revenue. The grand total for last year was 4,909,989. The drop involved only those tourist cars entering Canada under a 24-hour permit, however, for there was a large increase (172,723) in automobiles entered under the 60-day permit. There were 24,487 tourist cars in Saskatchewan during the year. This is a decrease of 2,113 from 1930.

## Fight Sham Battle

Japanese Troops Engage With An Imaginary Enemy

Shanghai, China.—Japan's victorious forces fought part of the "battle of Shanghai" all over again, but this time it was a sham action.

The troops that drove the Chinese out of Miao-chungching, routed an imaginary enemy for the benefit of Japanese military authorities and a few foreign observers. The rattle of machine guns aroused Chinese in the vicinity, but they soon learned that it did not mean a resumption of hostilities.

Four thousand men of the Japanese mixed brigade took part in another sham battle inland from Shanghai which commemorated the bravery of three engineers during the real fight a few weeks ago.

These engineers leaped into the Chinese barbed wire entanglements with armfuls of explosives and were themselves blown to pieces while blasting a hole through the barricade.

Meanwhile negotiations looking toward a permanent settlement were continued with the aid of neutral mediators.

As a result of these negotiations the Japanese have approved in principle proposals for a truce and for the withdrawal of their troops but they made certain modifications which were taken under consideration by the Chinese.

## Still Unidentified

Mystery Of Albert Johnson, Mad Trapper, Is Unsolved

Edmonton, Alberta.—Fingerprints from fingers of Albert Johnson have failed in establishing his true identification.

The mystery of the man who shot one R.C.M.P. constable in the Arctic, wounded another policeman and a member of a posse, and who finally was cornered in the Yukon on February 17 and shot to death, was still unsolved after his fingerprints had been examined at Ottawa, it was announced here.

Following Johnson's death the body was taken back to Aldovik and examined thoroughly. The fingerprints were sent to the bureau of identification at Royal Canadian Mounted Police Headquarters at Ottawa, but a thorough search of the files has indicated that Johnson never passed through the hands of any police organization of the Dominion.

With this information, a Dominion-wide investigation to establish Johnson's history and identification is being extended to take in the whole continent, and a dozen or more leads are being traced.

## Buying Russian Timber

English Importers Contract With Soviet Importers For Supply

London, England.—A contract has been entered into between English timber importers and Soviet Russian exporters for a supply of 2,100,000 cubic metres of timber during the present year. The purchasers have organized a special company entitled "Timber Distributors, Limited" comprising 160 firms, shares in which are being distributed among timber importers throughout England.

The government has introduced in the House of Commons a bill which would prohibit importation of goods made in foreign countries by forced labor, but its effect on this cannot be seen at the moment. Canada has a general embargo against Russian products.

## PRESENTS BUDGET

Hon. E. A. Dunlop presented the Ontario Budget in the Legislative Chamber on March 11th, when he proposed taxation on gasoline, liquor and wines, banks and corporate companies, in addition to strict economy in 19 of the 20 spending departments.

## Landed Plane In Volcano

Daring Aviators Reported To Have Accomplished Feat

Seattle.—A special dispatch to the Times from Anchorage, Alaska, said Frank Dorbandt and two companions, braving deadly gases, landed their plane inside Alutash volcano. It was the first time in history, it was believed, a plane had been set down inside an active crater.

Dorbandt was returning from a 1,800 mile fur buying trip over the Alaska peninsula and the Aleutian Islands. His companions were George Emery, of Seattle, and George Johnson, Anchorage photographer.

Father Bernard J. Hubbard, Alaska explorer and professor at Santa Clara University, and Pilot Harry Blunt were nearly sucked into the volcano last summer when, in Blunt's plane, they passed low over the crater.

Dorbandt reported many of the peaks in the range of mountains on the Alaska peninsula in eruption. "Flying at 12,000 feet we could see both the Pacific Ocean and Bering Sea, with literally hundreds of islands visible in every direction. The weather was perfect and it was an awe-inspiring sight to watch the eruption beneath us," he stated.

## For United Ireland

De Valera Hopes To See Fusion Of North and South

Dublin, Irish Free State.—President Eamon de Valera declared that he hoped to see the "unnatural boundaries between North and South Ireland broken down."

The president expressed the hope in an interview in which he set forth his views on public problems. He asserted that the oath of allegiance to the king would be removed at the next session of the dail, that no more land annuities would be paid to Great Britain, and that the Public Safety Act would be suspended at the next session of the executive council.

He also expressed the hope that the offices of governor-general of Ireland and president of the Irish Free State in time be merged.

North Ireland, the section of the country which is heavily Protestant, refused to go along with Southern Ireland when the Free State was formed.

## Move To Repudiate Irish Treaty Would Be Received With Concern

### Garnet Wheat Grading Will Be Considered

Motion Introduced To Refer Resolution To Committee

Ottawa, Ont.—The grading of Garnet wheat will be the subject of consideration by the Commons Committee on Agriculture.

In the House H. S. Stevens, Minister of Trade and Commerce, introduced a motion to refer a resolution asking for a separate grading of this type of wheat to the committee.

Last fall the grain standards committee at Winnipeg passed a resolution recommending that after July 31 Garnet wheat should not be graded in the first four grades of red spring wheat and further recommended that the following grades be established: Garnet No. 1 C.W. Garnet, No. 2 C.W. Garnet and No. 3 C.W. Garnet. It was this resolution that was referred to the committee.

At present Garnet wheat enters the same grades as Marquis and other red varieties.

Mr. Stevens told the House he was convinced that to place Garnet wheat in separate grades would necessitate a change in the Canada Grain Act. He was, therefore, turning the resolution over to the agricultural committee without comment either for or against such a change.

## Slavery Not Ended

Practice Still Carried On In Liberia, It Is Revealed

New York, N.Y.—Governments of Great Britain, France and the United States, and the League of Nations, have failed to put an end to slavery in Liberia, it was revealed in the House of Lords by Viscount Snowden, a government spokesman, says the New York Times in a special cable from London, England.

Charges were made that the prestige of the league would be irreparably damaged by the failure to act effectively where Geneva has become so deeply involved, but Lord Parmoor and Viscount Cecil of Chelwood said they opposed any attempt by the league to administer the country.

"It would be futile," Lord Parmoor declared, "and probably would lead to greater difficulties and more brutalities."

## Department Of Indian Affairs

Vacancy Created By Retirement Of Superintendent-General

Ottawa, Ont.—Retirement of Dr. Duncan Scott, superintendent-general of Indian Affairs, creates a vacancy which will be filled shortly. Several names are being suggested for the post, and perhaps the most prominent is that of Superintendent W. M. Graham, Regina, in charge of the Indian Affairs of western Canada.

Ordinarily, Mr. Graham would have been certain of promotion, but his age stands against him, and it is believed he either has been or will soon be superannuated. Failing Mr. Graham, the appointment almost certainly will be given to one of the senior officials of the Indian Department here.

Birmingham, Eng.—Neville Chamberlain, Chancellor of the Exchequer, told an audience here Great Britain would view with "the gravest concern" any attempt on the part of the Irish Free State to repudiate the terms of the Irish treaty.

Eamon de Valera, newly elected president of the Irish Free State, in recent interviews has avowed his intention of abolishing the oath of allegiance to the British crown, which is provided for in the treaty, and of withholding payment to Great Britain of land annuities amounting to about \$15,000,000, also provided for under the terms of the treaty.

Mr. Chamberlain commented he had heard reports of what Mr. De Valera intended doing, but since there had been no official notification he assumed they were incorrect.

"But, lest there should be any doubt as to the attitude of the British Government," he said, "I will say that any suggestions that the obligations or agreements solemnly entered into by the two governments could be repudiated or changed by either side alone, though it concerned that side alone, would cause the government the gravest concern; and, if seriously pursued, would undoubtedly revive the bitterness and differences which it was hoped had been removed forever."

The oath of allegiance to the crown is provided for in the treaty which established the Irish Free State 10 years ago. The land annuities, amounting to about \$15,000,000, are collected under the treaty from Irish Free State farmers in repayment of loans which enabled them to buy out their landlords.

## Policing Of Prairies

R.C.M.P. To Take Over Work In Manitoba On April 1st

Winnipeg, Man.—Royal Canadian Mounted Police will take over the work of the Manitoba Provincial Police April 1, Attorney-General W. J. Major announced.

A bill authorizing the transfer on the terms arranged between the Manitoba Government and the R.C.M.P. Commissioner will be introduced in the Legislature this week, Mr. Major said. It provides that the province will pay annually about \$125,000 to Dominion authorities.

Entire policing of the prairies will be in the hands of the R.C.M.P. on April 1. On that date Alberta's provincial force is to be replaced by the red-jacketed men. Saskatchewan has been policed by the mounties for three years.

## Gandhi's Wife Arrested

Is Sentenced To Jail For A Period Of Six Months

Bombay, India.—Mrs. M. Gandhi, wife of the jailed leader of Indian independence, was re-arrested and sentenced to jail for six months.

Mrs. Gandhi was placed in the C. class of hard labor, in contrast with the special treatment accorded her husband. She was released from prison two weeks ago and visited Gandhi in jail after which she went to London and continued the national congress activities.

## Statesmen and Friends

This is the most recent photograph of the late Aristide Briand, famous French statesman, to reach this side of the Atlantic. The photograph was made upon the occasion of Briand's recent meeting with Premier MacDonald of England. The man who was eleven times Premier of France, recently retired as Foreign Minister in the Cabinet of Premier Laval because of ill-health. Since then he had been under the care of physicians at his estate at Cocherel, where he passed away at the age of sixty-nine.

## Claim Russia Has Difficulty In Procuring Sufficient Seed Wheat

Ottawa, Ont.—During the past month interesting news has been forthcoming from Russia in connection with the difficulties that the Soviet authorities are experiencing as a result of poor harvests in some areas last year, suggesting that Russia has exported more wheat than was justified by the crop harvested in 1931. This information was contained in a statement issued by H. H. Stevens, Minister of Trade and Commerce.

Apparently Russia is now experiencing difficulty in gathering supplies of wheat adequate to seed the 1932 crop, says the statement. The Dominion Bureau of Statistics has received a cable from a correspondent in London stating that official Russian statistics show that, in the case of collective farms, 51.5 per cent. of necessary seed grain had been collected up to March 1, whereas the plan called for completion of the entire

collection program by March 10. In the case of individual farms, seed collections amounted to only 29.6 per cent. of the plan on the same date.

Another factor of great importance in the Russian agricultural program is the maintenance of tractors and power machinery. The extensive depreciation on motor equipment in Russia has been noted by visitors to that country.

In a cable received by the bureau early in March it was stated that at the end of 1931 there were 150,000 tractors in Russia, of which number 70 per cent. required repairs. Up to February 20, only 44.3 per cent. of the damaged tractors had been reconditioned.

A further cable received on March 15, stated that up to March 1, 50 per cent. of the tractors needing repairs had been placed in operating condition.

## FREIGHT TRUCK LICENSE FEES PROVINCE OF ALBERTA

### CLASSIFICATION OF TRUCKS

All freight vehicles and trucks, in addition to paying the fees set out below, must also pay the usual motor vehicle license as formerly, according to wheel base measurement.

CLASS A.—Includes all trucks used as public carriers for freight haulage. Fees printed below.

CLASS B.—Includes all freight vehicles other than those in the other classes. Fees printed below.

CLASS C.—Includes trucks operating within cities, towns and villages. These are permitted to operate outside to the extent of five miles beyond the corporate boundaries of the cities, towns or villages in which they are licensed. No fee in this class other than usual motor license.

CLASS D.—Includes trucks owned by farmers, market gardeners, or ranchers and used for the transporting of their own property. No fee other than usual motor license.

CLASS E.—Includes trucks in Classes "C" and "D" used for hauling grain between August 1st and December 31st in one year. Fees in this class one-quarter of those in Class "B".

### FEES FOR CLASSES "A" and "B"

Fees for Classes "A" and "B" are figured on gross weight, which shall mean the combined weight of the chassis, body and cab of the freight vehicle and the manufacturer's rated carrying capacity.

Fees in these classes range from 50 cents per 100 lbs. to \$1.75 per 100 lbs. according to their weight classification.

Applications for truck licenses, stating weight and carrying capacity of truck, should be made to

E. TROWBRIDGE,  
Deputy Provincial Secretary,  
Edmonton, Alberta.

## Local News

Andy Oliva and family, after residing in Calgary for a time, have returned to take up residence in Blairmore.

B. O. Macko was out during the fine weather of the week, after a protracted stay in doors since before Christmas.

John Raymond, 16 year old son of Mr. and Mrs. Seth Raymond, was operated on last Friday in the hospital, and is making satisfactory progress.

Bluebirds have arrived during the past ten days, and are seeking out their old nesting places in which to raise their families. The annual return of these beautiful birds brings delight to those whose gardens they frequent.

Lyman Borden and three companions hiked to Stoney Creek, about 12 miles north, following the snowstorm of Easter Monday, and found it very heavy travelling, being in snow to the waist plugging their way through numerous drifts.

A building owned by J. Stevenson was burned to the ground about 4 a. m. on Friday, April 1. He had been working in the building the day previously, it is reported. The place had been unoccupied for about two years, and was on Fifth street.

Constables of the R.C.M.P. have been stationed at various Pass towns, and Constable Elder is on duty at Coleman, being quartered at Coleman hotel. The headquarters of the Crow's Nest Pass district remains at Blairmore court house, the same as under the provincial police regime. Inspector Duncan, sergeant in charge at Blairmore up till 1927, is in charge of the district from Lethbridge west to the B. C. boundary.

Mr. H. Olson and daughters, Marie and Virginia, of Midnapore, spent a few days here recently, following the funeral of Mrs. Olson, who was buried in Burnside cemetery, Calgary, on March 30. Death was caused by pneumonia, following an operation in Calgary general hospital, and came with very little warning. Many Coleman friends expressed their sympathy with the family, for during their nine years residence in Coleman, Mrs. Olson made a host of friends by her kindly disposition.

## Red Cross Report For Month of March

Thanks on behalf of the members are due the following for donations of money and clothing:

John McDonald, per 13 teachers, Mr. Patterson and Dr. McLeod	\$ 15.00
Miss Surtees	2.00
Mr. G. Pattinson	5.00
Coleman High School	80.65
Total	\$102.65

Donations of Clothing—Mrs. C. J. Devins, Mrs. Shavler (Crows Nest), Mrs. A. J. Brown, Mrs. G. B. Smith, Mrs. A. Dewar, Mrs. W. L. Rippon, Mr. F. Antolous.

Clothing given out in March—13 pairs Boots, 8 pairs Rubbers, 12 Garments of Underwear, 3 Coats, 5 Dresses, 16 pairs Hose, 3 Coveralls, 4 pairs Pants and 4 Caps.

R. M. Dunlop  
Sec. Local Red Cross Branch.

## POOR SLEEP DUE TO GAS IN UPPER BOWEL

Poor sleep is caused by gas pressing heart and other organs. You can't get rid of this by just doctoring the stomach because most of the gas is in the UPPER bowel.

The simple German remedy, Adlerika, reaches BOTH upper and lower bowel, washing out poisons which cause gas, nervousness, bad sleep. Get Adlerika today; by tomorrow you feel the wonderful effect. You will say the day you read this was sure a lucky day for you.—H. C. McBurney, Drug-st.

## ANNOUNCING

## THE APPOINTMENT OF

## A NEW

## FORD DEALER

# Red Trail Motors Blairmore

WE TAKE PLEASURE in announcing a new Ford dealer in this territory. The appointment is in keeping with the established Ford policy of rendering thoroughly satisfactory service to Ford owners throughout all sections of Canada.

The Ford service policy is founded on the belief that a sale does not complete the transaction between us and the buyer but establishes a new obligation on us to see that the car gives good service.

We are as much interested in your economical operation of the car as you are in our economical manufacture of it.

Every Authorized Ford Dealer has pledged himself to the carrying out of this policy. Throughout the entire life of the car, the constant endeavor will be to help you get the greatest possible use over the longest period of time at a minimum of trouble and expense.

"THE CANADIAN CAR"

The mechanics of all Ford dealers are thoroughly trained in schools conducted by the Ford Motor Company of Canada, Limited, and they use tools and machinery made specially for servicing the Ford car.

When replacements are necessary, the parts used are identical in size and quality with those from which your car was originally assembled in the Ford factory. The charge for these parts is low, in accordance with the Ford policy. Labor on all ordinary maintenance operations is billed at a standard flat rate.

No matter what the job—large or small—you will find the Ford dealer equipped to handle it for you promptly, at a fair price, and in an intelligent, businesslike manner. The well-ordered cleanliness of the display room and shop and the consistent courtesy of all attendants will be especially appreciated by the lady driver.

ALBERTA

## The Old and the New

The two models have been shown at the Chateau-de-Ramezay, Montreal, recently in an exhibition of a century of locomotives. Right, is the "Dorchester", operated in 1836 to 1850 on the Champlain and St. Lawrence Railroad between St. John's and La Prairie, Quebec, the first train to run in Canada. Left, is the 2300 type Canadian Pacific Railway locomotive, a model of the great machine that draws modern passenger trains across the Dominion.

Comparison of the two locomotives will bring home the immense development in the past 100 years. The four driving wheels of the "Dorchester" were 48 inches in height. The six driving wheels of the 2300 type locomotive are 75 inches in height. Engine and tender weight of the "Dorchester" was just over 10,000 lbs; of the 2300 it is 648,800 lbs. Tractive force of the "Dorchester" is not given, but it must have been greatly less than the 45,000 lbs of the Canadian Pacific engine. Engine and tender of both locomotives had respectively eight wheels and twenty wheels. A further indication of the vast spread in operation values between the old and the new is seen in the figures of the latest and most powerful Canadian Pacific engine, the "8000" type, capable of pulling a freight train of 150 cars, or over a mile in length.

WORLD HAPPENINGS  
BRIEFLY TOLD

Maurice Dupre, solicitor-general of Canada, has been elected vice-president of the naval commission of the disarmament conference.

Canada's export of poultry has more than doubled in the last twelve months ended January, according to the Dominion Bureau of Statistics.

A Dominion Bureau of Statistics report shows that the Indian population of Saskatchewan increased during the last ten years to 11,939, a gain of 1,905.

Fire losses in Canada for February were estimated by the Monetary Times at \$3,981,950 as compared with \$3,417,750 for January and with \$4,689,325 for February of last year.

Neville Chamberlain, Chancellor of the Exchequer, hopes to attend the Imperial Economic Conference at Ottawa as a member of the British delegation.

It has been estimated that approximately \$40,000 will be required to finance the dispatch of Canada's team to the tenth Olympiad at Los Angeles this summer.

Commercial failures in Canada during January numbered 238, according to the Dominion Bureau of Statistics. Liabilities were placed at \$4,060,000. In the corresponding month last year, failures were 240 and liabilities \$3,970,000.

Part one of the report of Sir Alexander Gibb, eminent London, England, port engineer on his survey of Canadian ports is in the hands of the government, and the final part of it is on its way from London to Ottawa.

Sir Philip Sassoon, under-secretary for air, announced in the British House of Commons that the Schneider trophy air races were completely over. "The contest has outlived its usefulness," he said.

#### Lost a Fortune

Ottawa Woman Now Has To Apply For Old Age Pension

With a tidy fortune of \$50,000 in her possession four years ago, in securities and cash, an Ottawa woman has applied for, and has been granted, an old age pension of \$20 a month.

The stocks and money all went in the great stock market debacle of 1929. Like many others, this woman hung on to many securities in the hope that the decline would stop, but everything eventually was swept away.

Now she has only memories of the nest egg she once owned, and tries not to think of the income which might have been hers today had it been invested in a different way.

#### A Growing Menace

Deaths From Diabetes On Increase According To Figures

Diabetes is a growing threat against increased expectation of life and is one of the chief menaces of the middle-aged person. Dr. Gordon P. Jackson, declared in a report to the Board of Health at Toronto. During 1921, in that city the number of deaths attributable to diabetes represented a mortality rate of 17.9 per 100,000 population, the highest rate ever recorded there for this disease.

#### Wanted a Road

A deputation of ratepayers had called upon the local council to protest against the condition of a certain road. After all had been heard, the chairman of the Board, in a polite manner, said: "From all reports, I'd say the road was fairly good, taken as a whole."

"True," said the spokesman for the complainants, "but we want to use it as a road, not as a whole."

A delicate test for determining the freshness of butter has been developed by two Italian scientists.

London now has 18 makers of talking-picture apparatus.

#### Canada a Sovereign State

Not Partner in Commonwealth, Says R.C. Jurist

Canada is a sovereign state and not a "dominion" of any power, Mr. Justice Archer Martin of the appeal court of British Columbia told the Canadian Problems Club at Vancouver, in an analysis of the effects of the Statute of Westminster passed by the British Parliament last year.

"One still hears Canada 'described as a partner in the Commonwealth,'" he said, "but it is nothing of the kind."

A partner has the right to pledge you to all kinds of commitments. It is a most misleading and mischievous term. The Commonwealth is now an alliance under a king, it is not a partnership. Canada's status is not a sovereign status, it is sovereign status.

At first glance, he said, it might appear that Canada was still inferior in some respects since amendments to the British North America Act must be passed by the British Parliament.

But this, he explained, is just an apparent power, "a constitutional paradox." Formerly Canada passed laws at Britain's request, but now Britain must pass whatever measures Canada asks, he said. Under the Statute of Westminster, Britain has no option about this and refusal to do so would amount to Britain's refusal to secession from the empire.

#### He Chased Butterflies

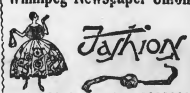

Son Of a London Millionaire, Who Died Recently, Spent Fortune On Hobby

James John Joicey, 61, son of a millionaire, who once testified that he spent his life and fortune chasing butterflies, died in London, England, recently.

In the course of bankruptcy proceedings, Joicey said he had been unable to live on an income of about \$100,000 a year. That he had spent half of it on butterflies. He possessed the second largest private collection in the world.

It includes 50,000 specimens. "I am not extravagant," he once said. "My butterflies will be of great value to the nation."

A NEW SPORTS BLOUSE DISTINCTLY WAISTCOAT-LIKE IN ITS SMART CUT

Here's a happy little blouse whether you have a suit or not. For Paris is now favouring the separate skirt and blouse for general daytime wear.

And don't you think this one youthful and snappy?

It expresses daring chic in crepe silk in vivid green trimmed with brass buttons. Rose-red angora jersey is delightfully smart with matching bow buttons.

Knitted woolsens, crepe satin, plain or printed, crepe silk are lovely fabrics for this sports blouse that you can wear now and later for spring.

Style No. 948 is designed for sizes 14, 16, 18, 20, 22, 24, 26, 28 and 30 inches bust. Size 16 requires 2 yards of 35-inch material.

For resort, it's stunning in light navy blue cotton corduroy with brass buttons and worn with a white skirt of the same fabric.

Price of Pattern 25 cents in stamps or coin (coin is preferred). Wrap coin carefully.

#### Estevan Nurseries Make Gift Of Trees

100,000 Caragana Donated For Planting For Demonstration Purposes  
Before the Orders of the Day were proceeded with last Tuesday, March 8, the Hon. J. P. Bryant, K.C., Chairman of the Drought Commission, read to the Saskatchewan House a letter just received from the Prairie Nurseries, Ltd., in which they offered to the Government a free gift of 100,000 heavy three-year-old caragana shrubs to be used in connection with the demonstration plot of the Government. The letter is as follows:

Dear Mr. Bryant:—Your address in Estevan last week, and the press reports of the work of the Saskatchewan Commission on Forestry, have impressed us with the far reaching possibilities for public good of the tree planting program you have inaugurated. As commercial nurserymen, we are not particularly enthusiastic over that part of your program that contemplates the establishment of another Government tree nursery, but we fully realize the educational and experimental value of the program. We heartily approve, however, of the educational and experimental value of the program. We heartily approve, however, of the educational and experimental value of the program.

To this end, our Directors have decided to offer the Province of Saskatchewan one hundred thousand (100,000) heavy, three-year-old Caragana, free of charge. We make this offer because we understand that your Budget does not permit the purchase of the required stock and we are certain that they will be of great value to the nation.

Commenting on the above letter Mr. Bryant stated that he desired on behalf of the Government, and on behalf of the Drought Commission to publicly acknowledge the splendid gift of the Prairie Nurseries, Ltd. The gift was extremely timely and was very generous. He hoped that it would be thrice blessed: that it would bless the farmers in the experimental area who would have the benefit of the experiment, and that it would bless the Nurseries, Ltd., themselves, in the years that are to come.

Mr. Bryant stated that the Government had already acquired 50,000 caragana for the Institutional Farm surrounding the school. The 100,000 caragana received from the Prairie Nurseries and the 50,000 which were available from the Forestry Station this year for the demonstration plot, would give 200,000 trees, and enable them to plant nearly forty miles of caragana hedge. This would be arranged in an area of one-half township starting at Winnipeg Street and No. 1 Highway, including an area one mile south of the main highway and two miles north of the main highway to a point six miles east of Winnipeg Street. This is in the heart of the heavily drifting area, and was chosen as a demonstration plot for the following reasons:

It surrounds the Guel farm and the supply of seedlings in future would be readily available.

It is along No. 1 Highway and adjacent to the main line of the Canadian Pacific Railway and therefore is

excellent for demonstration purposes. It is in a convenient location so as to be under the direct supervision of the Superintendent of Institutional Farms, of Mr. Ross, of the Forestry Station, and of the representative of the Federal Experimental Farm.

It represents a class of land varying from heavy clay soil to light, sandy soil.

It will give an opportunity for testing the value of hedges for the protection of the highways as the hedges will run along both sides of the highway for a distance of six miles and four rods back from the road.

It will give an opportunity for testing the growing of grasses, as arrangements have been made for two thousand pounds of Bromus Grass, two thousand pounds of Western Rye, and one thousand pounds of Alfalfa, with the Field Crops Branch and the Federal Department of Agriculture, and under this arrangement the farmers will return the grass seed pound for pound that they receive. The amount of grass should enable the strip near the road to be planted to grass and should give ten acres of grass to each farmer on a one-half section basis; the grass sowing to be extended from year to year.

The cultural methods of various kinds recommended by the Committee will be observed and recorded by our Institutional Farms staff. This will include the various methods of spring cultivation, strip farming methods, the different summerfallow practices, and the fall cultivation.

This is the first concrete area in the Province where an attempt has been made on a large area to prevent soil drifting on this basis. The programme will develop from year to year and we trust that the farmers from all parts of the Province who visit the Regina Fair and the World's Grain Exhibition will take the opportunity of visiting the demonstration area.

The work is being done by the Provincial Government with the hearty co-operation and assistance of the Federal Government Department of Agriculture, and Mr. Norman Ross, Chief of the Forestry Branch, and the head of one of the Experimental Farms will work in conjunction with the Superintendent of Saskatchewan Institutional Farms in connection with the matter.

Under the terms of this offer, stated Mr. Bryant, is due to the generous and magnificent gift of the Prairie Nurseries, Limited.

#### Recipes For This Week

(By Betty Barclay)

##### BREAKFAST MUFFINS

- 2 cups special cake flour, sifted.
- 4 teaspoons baking powder.
- 1/2 teaspoon salt.
- 1/2 cup egg, well beaten.
- 1/4 cup milk.
- 4 tablespoons butter or other shortening, melted.

Sift flour once, measure, add baking powder and salt, and sift again. Combine egg and milk and add to flour, beating until smooth. Add shortening. Bake in greased muffin pans in hot oven (400 degrees Fahrenheit) 25 minutes. Makes 10 muffins.

##### USE ORANGE AND LEMON PEEL

You throw away many a delicious morsel when you cast your orange and lemon rinds aside. Grated rinds are used by the best cooks to flavor cakes, pies, breads, deserts, frostings, fillings, sauces and other foods.

In grating, only the yellow portion of the rind should be removed. This portion contains the oils that give the flavor. Grated peels may be used fresh or mixed with sugar and kept in a tightly-covered jar. Where the whole peel is used it is ground fine, mixed with sugar, and used in the same manner as the grated rind.

Experiments are being made in Ireland of the possibility of making silk stockings from seaweed.

Brazil's population has increased 27 per cent. in ten years.

#### SUNDAY SCHOOL LESSON

MARCH 27

#### JESUS RISES FROM THE DEAD—EASTER LESSON

Golden Text: "But now hath Christ been raised from the dead, the first-fruits of them that are asleep." 1 Cor. 15:20

Lesson: John 20:1-13.

Devotional Reading: Revelation 1:10-18.

#### Explanations and Comments

Mary Magdalene At the Empty Tomb, verses 1-3. On Sunday, the first day of the week, Mary Magdalene came early to the tomb where Jesus' body had been laid.

"She sought no scent of budding almond tree."

Mary Magdalene, tear-blinded still from Calvary, saw neither life nor anyone—she saw only the sepulchre.

And that sepulchre was empty! She hastened away to tell Peter and John that "They have taken away the Lord out of the tomb, and we know not where they have laid Him."

Peter and John At the Empty Tomb, verses 3-10. "There is an assurance of the resurrection about the account. Skeptics tell us that visions are common and that excited people are easily deceived. But we have no word of visions here. The writer does not say that he saw the Lord. He tells us merely of two fishermen running; of a solid commonplace article such as grave-clothes; and of observations that could not possibly be mistaken. The tomb was empty and that they were in it. For my part I feel constrained to believe a narrative which when it tells me the grave was empty."

Marcus Dods.

Mary Magdalene and the Risen Lord, verses 11-18. "The two disciples went away, thinking nothing more could be learned at the tomb, but when they returned, the tomb was empty and that they were in it. For my part I feel constrained to believe a narrative which when it tells me the grave was empty."

Marcus Dods.

Mary Magdalene and the Risen Lord, verses 11-18. "The two disciples went away, thinking nothing more could be learned at the tomb, but when they returned, the tomb was empty and that they were in it. For my part I feel constrained to believe a narrative which when it tells me the grave was empty."

Marcus Dods.

Mary Magdalene and the Risen Lord, verses 11-18. "The two disciples went away, thinking nothing more could be learned at the tomb, but when they returned, the tomb was empty and that they were in it. For my part I feel constrained to believe a narrative which when it tells me the grave was empty."

#### COMFORT

#### for COLICKY BABIES

#### ... THROUGH CASTORIA'S GENTLE REGULATION

One of the most important things you can do to make a teething baby comfortable is to see that little bowels do their work of carrying off waste matter promptly and regularly. For this nothing is better than Castoria, a pure vegetable preparation specially made for babies and children. Castoria acts so gently you can give it to young infants to relieve colic. Yet it is always effective, for older children, too. Remember, Castoria contains no harsh drugs, no narcotics—it is absolutely harmless. When your baby is fretful with teething or a food upset, give a cleansing dose of Castoria. Be sure you get genuine Castoria with the name: *Charles H. Fisher*

**CASTORIA**  
CHILDREN CRY FOR IT

#### Reviving Old Idea

#### Frenchman Has Plan For Airplane

#### Station In Mid-Atlantic

M. Leon Fougenques has formulated a plan for a floating island in mid-Atlantic, for the accommodation of aeroplanes. The inventor says that such a station for air liners is urgently required. He has found a place where the water is only 200 ft. deep, and he proposes to sink there a ring of ninety-six big caissons. On these islands would be ring-shaped, about a quarter of a mile in width and a little under a mile in diameter. One inner and one outer avenue are suggested, with between eighty and ninety cross streets. The island would be protected by a curtain of floating cylinders two miles in diameter. It could house 200,000 people. The inventor says that, owing to its weight of 12,000,000 tons, it would remain steady in the heaviest storms. Also, the project would cost approximately \$5,000,000.

#### Protected Suez Canal

#### Turk Who Aided Allies In Great War Is Dead

Ago Petros Ellour, the Turk who saved the Suez Canal for the Allies in the Great War, died recently at Toulouse, France, of cerebral hemorrhage. He was retired with abundant wealth in a luxurious castle by England and France after he had led Syrian bands which defeated the Turkish-German manoeuvres to cut the canal and prevent the arrival of Australian, Indian and New Zealand reinforcements to the Allies. All through the war he remained in the desert protecting the canal.

#### Condemns Soviet Rule

#### Voluntary Exile From Russia Thinks It Is Slavery

Although she spent twelve years in Russia under Soviet rule, was a government employee, organizing schools, Countess Alexandra Tolstoy, daughter of the famous novelist and social worker, is now a voluntary exile from her native land and is loud in her condemnation of the rule of the Soviets.

"My people have passed from tyranny to slavery," she told newspapermen. "The Soviets have not helped them and they are worse off now than they were two years ago."

#### Washington Bars Sky-scrapers

Washington has little prospect of rivaling New York's lofty skyline, as skyscrapers under way in the capital. It tall buildings were erected there they would dwarf the dome of the Capitol and other government structures, according to Colonel U. S. Grant, director of the Office Buildings and Public Parks. The Capitol is only 285 feet high.

#### Sluggish Liver

#### And Rheumatism

#### Both Corrected By Famous Vegetable Pills

"I received immediate relief from Carter's Little Liver Pills," declares Mr. Arthur P. "I had been suffering from rheumatism and indigestion. Because they are PURELY VEGETABLE, they are effective tonic to both liver and bowels. I am now equal to my work. Headaches and Poor Digestion, 25c. & 75c. red pkgs. Sold everywhere."

#### Seek Origin Of Earthquakes

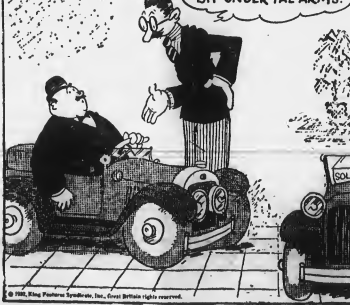

A new depth, 24,000 feet has been discovered in the Caribbean Sea, and scientists are hopeful that clues may be furnished there to the origin of earthquakes. Four thousand fathoms deep, however, is enough to daunt anyone but a movie diver, so the scientists may have to resort to instruments.—Montreal Gazette.

#### Once Is Enough

A new flower, discovered in Central Africa, is to be called *Nidifidulphantisanthemum*. We hope not to have to refer to this again.

#### FANCIFUL FABLES

CERTAINLY, SIR, IF YOU THINK IT'S TOO TIGHT, WE CAN LET IT OUT A BIT UNDER THE ARMS.

## Local News

The 26th anniversary of St. Paul's United church was held on Sunday and Monday, April 3 and 4. The Rev. David Gray of Fernie was the special preacher, and on Monday the ladies aid provided a splendid supper, which was enjoyed by a large number of visitors.

Mr. Melville Anderson, of Anderson & McLean, sight specialists, of Calgary, announces next visit to G. R. Powell's, Coleman, Tuesday, April 26. 20 years experience and regular visits assure you of satisfaction in all optical work.

Coleman post office has another improvement for the benefit of the staff and the public. It is a stamp cancelling machine which will cancel 300 stamps a minute, and will be of particular value in cancelling on the arrival of the morning mail, enabling the wickets to be opened several minutes earlier. Coleman has always received first-class service at its post-office, for which the staff is to be commended.

During the past few weeks Mr. Visac, general manager of West Canadian Collieries, has been showing to Boy Scouts and Girl Guides moving picture films of his travels, in the Greenhill hotel, Blairmore. They have proved very interesting, and a number of adults have been present enjoying the pictures. Mrs. Borden has taken her Girl Guides troop from Coleman on two occasions, and she also is to be highly commended for the active interest she has taken since the organization of the local troop.

### ANNOUNCEMENTS

Dr. A. E. Shore, of Drs. Gunn, Hackney & Shore, Calgary, will be at the office of Dr. R. F. Stewart, Blairmore, on Wednesday, April 20th. Anyone wishing to consult him with regard to eye, ear, nose or throat, please make appointment with Dr. Stewart.

### Mine Workers Meetings

(Continued from Page One)  
ment This provoked a mild uproar and many left the hall in protest, following which the open air meeting proceeded. An interval of 15 minutes was called to give the "red" element a chance to appear, but it was not till after the open air meeting had adjourned that they started out. By this time the meeting had dispersed. Except for the outburst in the K. of P. hall, there were no outward incidents. The action of a large section of mine workers is evidence of a definite split to completely break away from the Unity League affiliation.

### Adjourned Meeting

The adjourned meeting of the mine workers of International and McGillivray mines took place on Monday afternoon at 2.30 on the football field, with D. Gillespie in the chair, and over 500 men present.

After several short addresses, Mr. Wm. Lees made the motion: "That a committee of 3 from each mine be elected to meet the Operators and negotiate an agreement." An amendment to that was made by A. Dow, secretary of the local union, "That you leave negotiations in the hands of the present strike committee and negotiation committee."

After discussing both the motion and the amendment it was decided to take a vote by ballot on Wednesday at 12 o'clock noon which resulted in 319 casting their vote for the Amendment and 218 for the Motion with 2 spoiled ballots.

### Summit Lodge Celebrated

(Continued from Page One)  
held in Coleman on April 4, 1907, and assembled under dispensation until the charter was issued in May 1908, the late Dr. Westwood being the first master of the lodge, and of the 18 charter members, those

still living in Coleman are J. O. C. McDonald, Alex. Cameron and Robert Penman. Some have passed on to their reward, while there are still some who maintain their connection with the lodge, who are living in various countries. The late J. A. Price was also a charter member, and a master of the lodge in the third year of its existence. He was killed overseas. It is also of interest to note that J. L. Lonsbury is a past master, being master in pre-war days, and again on his return from overseas service with the C. E. F.

Since the war the office of master has been held by several who served overseas, among them being Bros. R. F. Barnes, Arthur E. Graham and the present master, Sidney C. Short.

Old-time reminiscences on lodge history were recounted in interesting style by Alex. Cameron, and among pleasant memories were many gatherings which lasted sometimes until dawn, when the lodge was very lavish in the style with which it entertained.

Robert Barnes proposed the toast to the ladies in his inimitable style, which was gracefully responded to by Mrs. A. F. Short, the banquet closing with the "Junior Warden's Feast" by Wor. Bro. L. Lindoe.

The guests adjourned to the Odd fellows hall, in which the regular meetings are held, and to a fine program of music by Mason's orchestra, including Miss Peggy Cole, of Bellevue, whose singing and playing of the saxophone added to the gaiety, dancing was enjoyed till about 1.30.
